Dear Frank,

I wish to thank you for all your help in last week's open enrollment meetings. We appreciate the delicious food and beverages that you so kindly provided. I know that I have told you this many times over, but we are so very happy with the services that United Insurance & Investments has performed over the years. It is a pleasure to deal with someone as professional as yourself. You have always gone beyond your normal duties to service the Miccosukee Tribe; I look forward in continuing our relationship for years to come.

Sincerely,
