To whom it may Concern:

It is with great pleasure that I recommend United Insurance & Financial to any employer or organization seeking a professional and service oriented benefit insurance firm. We have enjoyed a nine year relationship with United Insurance & Financial and have always been able to rely on Frank Garcia and his fine organization for prompt, quality service.

Frank and his staff have at all times gone beyond the call of duty to be certain that we are satisfied and very comfortable with the many insurance products that we have purchased from them. Any employee, billing problem or issue of any nature has been quickly and easily resolved by contacting the firms knowledgeable and highly responsive staff members. As we all know from personal experience, it is very difficult to find a company that provides "service after the sale". United Insurance & Financial is a firm that does. They are in a league of their own, and I very much appreciate and respect the high standards of quality by which they conduct business.

I rarely provide letters of reference, but in this instance, I welcome you to feel free to contact me directly at (305)374-6116 should you wish to do so.

Sincerely,

Laquer Corporate Realty Group, Inc.
